- **Your motivation is now uploaded. The teacher will email you about the results.**

De-register

During the registration period, you can change your choice. You must first de-register for your first choice. Follow the steps below to de-register for a course

- *Click on De-register and tick the box of the course module then click on De-register*

The screenshot shows the top navigation bar of the University of the Hague registration system. The tabs are 'Personal details', 'Notes', 'Supervision', 'Register', and 'De-register'. The 'De-register' tab is highlighted with a blue arrow pointing upwards. Below the navigation bar, there are links for 'De-register', 'Print', 'Help', and 'Overview'. The main content area has two tabs: 'Register' and 'Overview registrations'. Below the tabs, there is a text block: 'All components for which you are registered are listed below. You can tick the box next to the components for which you still can de-register. Subsequently you can de-register for these components with the hyperlink 'De-'. Below this is a checkbox labeled 'Show history'. Underneath is a section titled 'Course modules' with a table. A blue arrow points to the first row of the table, which has a checkbox in the first column. The table has columns for 'Course module', 'Academic year', and 'Fu'.

Course module	Academic year	Fu
<input type="checkbox"/> KA-BRUSHUP-17	Brush Up You Theory Course	2017

- *Confirm the de-registration by clicking 'yes'. The de-registration is ready.*

The screenshot shows the same registration system interface as above, but with a confirmation dialog box. The dialog box has a red border and contains the text: 'Your registration will be withdrawn for the selected components. Do you want to continue?'. There are two buttons: 'Yes' and 'No'. A blue arrow points down to the 'Yes' button. Below the dialog box, there is a text block: 'All components for which you are registered are listed below. You can tick the box next to the components for which you still can de-register to select the component. Subsequently you can de-register for these components with the hyperlink 'De-register' at the end of this page.'

Questions and Support

If you have a problem with registration, please contact the OSIRIS Functional Manager via fb-osiris@kabk.nl.
