In this part of OSIRIS Student you can see your study progress; how many credits you have obtained, and how many credits you still have to obtain. There are two overviews:

- Study Progress review

This report will show a comprehensive overview of your grades, obtained credits, and how many credits you still have to obtain.

- File overview

This report will show a simple overview of all your grades.

## Supervision Screen

The button Supervision allows you to view notes. Currently, this functionality is used for monitoring IST. You are able to read comments from your IST coach. It is possible to post follow-ups/feedback/an answer as well.
