# Part B.2 General Terms and Conditions

- 8.2 The Royal Academy of Art The Hague cannot be held accountable by the intern or the internship provider for not fulfilling any obligation on the basis of this agreement. The intern and the internship provider indemnify the Royal Academy of Art The Hague for any claims in this respect, including claims from one of the parties to this agreement as well as claims from third parties.
- 8.3 This agreement is set up according to Dutch law. Eventual differences arising out of this agreement will be submitted to the authorized judge in The Hague.
- 8.4 The Royal Academy terms and conditions for internship companies shall apply. They can be found at <http://www.kabk.nl/docu/Factsheet-Internship-companies.pdf>

# Part B.2 General Terms and Conditions

ERASMUS+ : complete this section and make sure the General Terms and Conditions are signed by all parties!

The internship contract must be present at the address where the internship is carried out, and a completed copy of the form must be kept in the possession of the KABK internship coordinator. The General Terms and Conditions form part of the internship contract. The agreement shall be concluded between the educational institution of the University of the Arts The Hague, of which the Royal Academy of Art The Hague is a faculty (*referred to below as the study programme and the internship coordinator who represents the educational institution*), the student (*referred to below as the intern*) and the internship supervisor of the internship provider, as mentioned on page 7 (*referred to below as the internship provider*).

### Article 1: Purpose of the internship

The purpose of the internship is to enable the intern to gain experience of the practical application of theoretical knowledge and of the skills that he or she has acquired, and to acquire new knowledge and skills. The internship provider and the study programme shall ensure that the intern is assigned tasks and responsibilities that are compatible with the student's level of competencies and the educational objectives of the internship period. This agreement is therefore not a contract of employment. Specific agreements, learning objectives, duties and responsibilities are described in the internship contract.

### Article 2: Supervision and evaluation

- 2.1 The study programme department will appoint an internship coordinator who will be responsible for the internship, and the internship provider will appoint an internship supervisor. If any problems arise, the internship supervisor will contact the study programme internship coordinator.
- 2.2 At the end of the internship, the study programme department will receive an internship report from the intern, the requirements of which must be made available to the student before the internship starts (*see Part C*). The internship provider will also receive a copy of this report.
- 2.3 The internship provider will provide the intern with an evaluation of his or her internship, together with written confirmation that the work programme has been carried out and completed (*see Part C*).
- 2.4 On the basis of the internship report by the intern and the feedback from the internship supervisor, it is the study programme and the internship coordinator who will assess the intern and who will, or not, award ECTS credits.

## Part B.2

# General Terms and Conditions

### Article 3: Rights and obligations

- 3.1 The intern shall pay due regard to all the rules and regulations in force at the internship provider.
- 3.2 The internship provider shall make the facilities available to the intern that he or she needs in order to carry out his or her duties and reach his or her objectives.
- 3.3 The intern is obliged to treat confidentially his or her activities during the internship at the internship provider, if the internship organisation so requests.
- 3.4 The copyright relating to the work/results produced by the intern shall belong to the intern, unless specifically agreed otherwise in advance. Both the intern and the study programme may use the results for internal purposes without consulting the internship provider.
- 3.5 The intern must comply with all the international regulations of the internship provider.

### Article 4: Social security protection /insurance

- 4.1 The internship provider will protect the intern against any form of intimidation or discrimination at the workplace.
- 4.2 In accordance with Dutch law (*Article 7:658 paragraph 4 of the Netherlands Civil Code*), the internship provider is liable for injury and harm sustained by the intern during the internship.
- 4.3 The internship provider is obliged, prior to the start of the internship by the intern, to have taken out one or more insurances, which cover at least the liability of the internship provider and the intern against each other and against third parties, (*other*) employees and interns of the internship provider, this cover should include:
  - personal injury (*damage by death or injury*);
  - property damage
  - financial loss
  - loss of or damage to data, including all resulting damage, with a minimum coverage of EUR 2 million per year and EUR 1 million per event.

## Part B.2

# General Terms and Conditions

### Article 5: Disputes

The intern shall first contact the internship provider internship supervisor in the event of a dispute between the intern and the internship provider. If the dispute between the internship supervisor and the intern cannot be resolved amicably, it shall be submitted to the internship coordinator in order to attempt to find a solution that is acceptable to all parties.

### Article 6: Taxes

The intern has a responsibility to pay income tax when appropriate and will pay according to the agreement between their home country and their host country.

### Article 7: End and termination of the internship

- 7.1 The internship shall end:
  - A) After the period referred to in the internship contract;
  - B) If the intern ends his or her studies on the study programme;
  - C) If all parties agree that the internship should be terminated;
  - D) In the event of the death of the intern;
  - E) In the event of bankruptcy of, the granting of suspension of payments to, or dissolution of the internship provider.
- 7.2 The internship provider may terminate this agreement, after hearing the student intern and the internship coordinator:
  - A) If the internship supervisor establishes that the intern is not complying with the rules and regulations of the internship provider or instructions of the internship supervisor.
  - B) If the intern does not observe the agreements in relation to confidentiality as meant in Article 3.
  - C) If the intern conducts him or herself in a way that the internship provider cannot reasonably be expected to accept. The internship supervisor shall inform the internship coordinator of any termination of the internship.
- 7.3 The educational institution KABK, in particular the study programme management, may terminate this agreement, after hearing the internship coordinator, the intern, and the internship supervisor if the above mentioned establishes that the internship does not meet the educational objectives or does not provide the tasks set out in this agreement, or if the intern cannot reasonably be asked to continue the internship. The internship coordinator shall inform the internship supervisor of any termination of the internship.

### Article 8: General provisions

- 8.1 These general conditions apply to every contract concluded/signed between the Royal Academy of Art The Hague, the intern and the internship provider. Derogations from the articles in this agreement are only possible if other written agreements between the internship coordinator, the student, and the internship supervisor exist.
